Instrumental acoustic guitar - Fingerstyle guitar music for yoga, massage, life and love. 12 MP3 Songs

NEW AGE: Healing, NEW AGE: Meditation Details: Nice Avec Toi consists of twelve tracks of virtuosic solo acoustic guitar playing, ranging from Indian raga-influenced songs to more traditional-sounding Swedish folk-inspired pieces. Avid guitarists will appreciate Brennes creativity and dexterity, as he pushes the tonal limits of the instrument through the use of harmonics, alternate tunings, and other techniques. Brenne has found a professional musical niche performing live for yoga classes, however his music is intended for all audiences. Perfect for acoustic guitar aficionados, healing arts practitioners and passionate music listeners, Nice Avec Toi weaves evocative yet calming music. "Listening to Chris' music is like getting a massage for your mind" - Stephen Cope, senior Kripalu Yoga teacher and author of Yoga and the Quest for the True Self "Chris' music lends itself to self-exploration and organic movement and translates into subtle differences in your practice and great differences in your overall outlook." - Karen Fabian, RYT - D'ana Baptiste Studios
