Details: For nearly 15 years, David DeMarco has toured the US singing about the love of God and leading thousands into responding to God's presence. As a songwriter, artist, and worship leader, David has a uniquely refreshing way of connecting people to God. Born near Pittsburgh, David grew up as a pastor's kid, playing sports and music all of his life. At the age of 17, he performed his first concert and never stopped since. With moves to Tulsa Nashville, David invested himself in both the Christian and musical capitals of the US. During these years he became exposed to the idea of using music to glorify God and reach people. In 1999, he recorded his first CD, Made In The Image, produced by Lincoln Brewster. Over the next 5 years, David would write and record 3 more projects: Free to Worship (2001), No Place Like The Presence (2002), and Revealed (2005). The music would gain national attention from churches and other organizations. The CD, Free to Worship, was named one of the top 100 praise and worship projects by Experiencingworship.com. In 2005, David's song "Deeper" was selected as one of the top 10 new praise and worship songs by LaMar Boschman's International Worship Institute. Today, David continues to travel and perform concerts at churches, conferences, and outreaches as well as lead praise worship.
