

Mp3 Dudley - Public Nudism

[DOWNLOAD HERE](#)

Ellen Turner, the primary force behind Dudley, has put together a collection of pop with a relaxing folk undercurrent. Turner's velvety, enveloping voice is reminiscent of Frente's Angie Hart in its sweeping sighs. 13 MP3 Songs POP: Quirky, FOLK: Folk Pop Details: Dudley was(/is?) a Santa Barbara-based art-folk-pop entity, built around the hard-to-define, easy-to-love music of singer-songwriter Ellen Turner. For the last few years, it was Dudley the Band, and Ellen backed by guitarist Joe Woodard, bassist Chris Symer, and drummer Tom Lackner. They're prone to describe their music as "quirky" and "heartfelt." Dudley has three albums to show for the effort, doin' jack (1998), Are Our Oars Out? (1996), and their debut, Public Nudism (1994). Now based in Durango, Colorado but working out of the Santa Barbara studio known as the Tom-pound, Ellen is back on track in 2007, nearly finished with a new CD Public Nudism, a popular song cycle originally released in 1994 on cassette-only and now available on CD, was the debut album by the unique art-pop-folk group from Santa Barbara group known as Dudley. It began as a solo project by singer-songwriter Ellen Turner, and the group guitarist Joe Woodard, drummer Tom Lackner, and bassist Chris Symer--formed around the recording project.
