Gwyneth delivers her words and music with a sense of lightness, intelligence and humour that dances with and stimulates the heart, the soul, and the mind. 10 MP3 Songs FOLK: Folk Pop, POP: Folk Pop
Details: GWYNETH BAILLIE charms and captivates her listeners as soon as she opens her heart to sing. Within an acoustic singer/songwriter tradition, she skillfully combines a powerfully intimate vocal style with passionate poetry, driving unpredictable rhythms, and the essence of theatre and cabaret. Gwyneth delivers her words and music with a sense of lightness, intelligence and humour that dances with and stimulates the mind and heart. After the success of her debut album and video "Wishing Well" (2000), Gwyneth's sophomore album entitled "same same but different" was released in December 2004 to great acclaim. Written, sung (including harmonies), played (acoustic guitar), produced, and designed by Gwyneth, reports are in that this disc has fans perpetually pressing the repeat button in a futile attempt to get enough...
