Descriptive, pulsing, percussion rhythms merged with lively, melodic bass then completed with rich, divergent guitar components. 13 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: Lyrically, Kepler is refined, cultured and often an example of a prophetic or intuitive hallucination that is only experienced in one's wildest dreams. The text and poetry of each song serve as escorts of narratives through thoughts, accounts, and short stories, which will unshackle the listener's imagination and promote limitless interpretation. While the poetry constructs visions that echo theories, the music concurrently builds within itself in an almost polyphonic style to attest innovation through inspiration. Descriptive, pulsing, percussion rhythms merged with lively, melodic bass then completed with rich, divergent guitar components, provides a three-part force that uniformly propels each song through grooves of a special, musical nature. Kepler is: Isaac Brandes - Drums Keeve Brine - Bass Mark Roman - Vocals/Guitars
