

Mp3 Marc Maccini - Metamorphosis

[DOWNLOAD HERE](#)

Beautiful and relaxing Love Songs and Ballads as well as moving piano instrumentals mark this latest musical venture from singer/songwriter Marc Maccini 13 MP3 Songs EASY LISTENING: Lounge, POP: Piano Details: This is the 4th and latest CD from composer/pianist singer/songwriter Marc Maccini. It features 13 original musical piano and vocal compositions. The theme here is change; metamorphosis. From the haunting offerings of "Until Tomorrow" and "Once Again" to the comical "Bakers Dozen" this CD features songs of change. The love songs that this composer is known for are here as well with the beautiful and questioning "Can I Love You ?" to the bitter " Broken Promises" and the declarative "All I Ever Need". Again Marc has provided the listener with songs sure to relax, please, and interest the listener.
