[DOWNLOAD HERE](#)

Ambient and dark deep chill that explores the sonic terrain between the light and the dark. 9 MP3 Songs in this album (73:13) ! Related styles: ELECTRONIC: Ambient People who are interested in Steve Roach Robert Rich Vidna Obmana should consider this download. Details: This CD explores sonic territory that spotlights the dark sonic terrain that lies somewhere between these two artists. It emotionally explores the deep and dark caverns that reside in all of us. Lightness moves to dark, moves to black, moves to the hollow empty void that is the abyss.
