Details: P.I. Entertainment was started in 2004 by CEO Jonathan Bonner, at the age of 20. He is an established entrepreneur and prominent businessman in the Northern Louisiana community. He is now trying to make his mark in the music industry. If you have been waiting for the next superstars from the south, check out Tha Firm! With the most versatile, ahead of its time lyrics and production. P.I.

Entertainment is the most anticipated indie Record Company in the South since Cash Money. This indie Record Company has been making a name for itself in the Down Bottom Music Scene with the street success of its Franchise Group... P.I. Firm. Tha Firm includes artist Dj 1800 Ice-Mann, Lil Reeky, Slim-Deezy, G-Money, Big Boss, Big Spence, and Dilly Da One. P.I. Entertainment first made its mark with Tha Firms "monster" club hit Don't Do It. This track showcases PI's signature Topp of Da Boot sound, which channels the raw energy of crunk while incorporating Baton Rouge's (Jiggish) style that has become synonymous with the state of Louisiana.
