Compilation of several reggae styles with a sprinkling R&B ballad soul. 15 MP3 Songs WORLD: Reggae, ROCK: Roots Rock Details: By always seeking truth, wisdom and understanding through the Most High, Spiduki's inspiration evolved through life's experience. It has been a long journey, but nothing happens before the time. Over the years while in Jamaica W.I., Spiduki sang and played with T.I.M.E. (The Incredible Musical Experience) band, the Clarendonians and the late Jacob Miller. Migrating to New Jersey USA, Spiduki maintained his passionate love for reggae music, and has developed stronger diversified singing, songwriting and drumming skills. Today this 15 song disc is intentionally diverse to showcase Spiduki's compelling musical styles and sharp penmanship. Almost every track can stand on it's own, including "Leaving in your eyes Make love last" which gives tantalizing taste of his vocal presence. The title track "Get Connected" is a gem that some would say it's one of the most powerful tracks on this disc. "Manbubbler" is another stirring song that has a distinctive dancehall flavor....Spiduki's emotional vocal presence shines through and is sure to command you to listen.....check it out.
