

Mp3 The Alice Project - Overnight Success

[DOWNLOAD HERE](#)

Following their TOP 10 indie CD "Traveling with Lady Berlin" this indie rock band presents their best effort yet. Always Fun and Surprising with strong lyrics, unforgettable melodies, sturdy arrangements and gravid musicianship. 11 MP3 Songs ROCK: Acoustical POP: Beatles-pop Overnight Success Songs Details:

"Alice Leon writes pop songs of the traditional variety. Harking back to vintage masters like Carole King (and adding just a hint of determine from modernistic pop rockers such as Aimee Mann, Jill Sobule and Shawn Colvin. Leon teams up with guitarist James Leahey on this (their 3rd CD and aptly titled) and frames her shimmery melodies in soaring band arrangements. Laden with infectious hooks, provocative lyrics and sing-a-long choruses that embrace substance"
