

Mp3 The Well Wishers - Under The Arrows

[DOWNLOAD HERE](#)

The next bold step forward from former Spinning Jennies frontman Jeff Shelton, "Under the Arrows" picks up where last year's Well Wishers debut left off - with even bigger hooks, warm ringing guitars, and cascading vocal harmonies. 11 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Following the demise of Spinning Jennies, one of San Francisco's most revered and long-lived power pop bands, frontman Jeff Shelton formed the Well Wishers to explore his talents as a solo artist and further mine the deeply melodic foundation of the Jennies' unique style of pop. Released in Spring 2004 on pop-friendly Notlame Records, the Well Wishers sparkling debut "Twenty-Four Seven" charged out of the gates with a full-bodied, pure pop sound that garnered instant critical acclaim in the indie pop press. The album's rich melodic tracks, driven heavily by acoustic guitars, warm, ringing electrics, and cascading vocal harmonies punctuate Shelton's penchant for elaborate pop arrangements and memorable musical hooks. Released in October 2005, the Well Wishers 2nd full-length "Under the Arrows" further delivers on the band's promise to offer a big, well-rounded pop album that transcends the staleness of commercial-radio rock and forgettable pop cliches. The Well Wishers' aim is to creep into your life and extol the virtues of timeless, well-crafted music.
