Beautiful melodies interwoven into the style of electronica... 13 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Techno Details: "A BLIP ON THE SCREEN" by UNDER THE RADAR (aka) RICHARD SOUTHER is Richard's latest venture into the realm of electronica. Written almost entirely in the computer using virtual instruments; Richard spent months fine-tuning the sounds as well as the mixes to create a compelling original work of music that lasts over an hour in length. Listeners are calling it "Heirborne 2002" referring to his ground breaking 1985 album which pioneered recording electronic music "live to tape." "A BLIP ON THE SCREEN" is about to be identified. Check it out now!
