Dear New Online Entrepreneur, Getting started in online business and Internet Marketing isn't all that easy, is it? You know the money's out there, just waiting for you to stake your claim, but you just don't know where to begin. What if you were given a clear-cut, comprehensive system to making money online that would instantly shift your earnings into high gear, without you ever having to become an Internet marketing "expert"? Imagine being able to download a step by step guide that would save you time and money by showing you only what you absolutely need to know in order to make money online. All you have to do is follow each strategy, one at a time, and within a few short hours, you will know everything you need to know in order to compete with seasoned marketers and experienced business owners, without ever having to go through the monotonous trial & error that THEY had to go through to generate the same results! Introducing... The Newbies Secret Short Cut To Internet Marketing Success" Become a seasoned pro in less than half the time! I know what it's like to purchase ebook after ebook, all in the hopes that just one of them will help to put the pieces of the puzzle together. Months later, and thousands of dollars in the hole - I was no further ahead from where I started. I had absolutely no idea how to create interactive websites that would funnel in hungry crowds of buyers and even if I did, I would have no idea

what to sell to them! I was a complete newbie in the worst way, because not only was I making more mistakes that I could afford to make, but I was stuck in the same rut for months.. I was about to give up, call it quits, when I came across a coaching program offering to show me exactly how to make money online by revealing proven strategies that have generated an absolute fortune to those who exploited them. I'll admit, I was skeptical.. after all I had already lost a small fortune to these very same promises, but with this money back guarantee (and after spending hours checking out this guy in forums, search engines and social networks), I knew he was the real deal.. and so my initiation into his mentoring program began. And guess what I discovered in the first 7 hours of training? That not only do these 'gurus' leave out critical elements in their ebooks and training guides, but they outright MISLEAD us! We had absolutely no chance of being successful when we were being spun around until we were lost and dizzy, heading in the wrong direction. If you have been struggling to make money online, only to fail miserably, and end up feeling as if you just don't have what it takes to be successful.. it's not your fault. Most likely, you have been brainwashed into believing that certain strategies work, or that the wealthy marketers are doing one thing, when in reality, the information that they spoon feed to us, is the exact opposite of what has really made them rich. But you're about to smash through the walls of deception and learn the real strategies for making a living online.. Here are just a few of the many things you will learn: EXACTLY How to create your online business cash machine. This is where I will reveal short cut methods of setting up a well structured, highly profitable online business in any market. How to choose a million dollar market. This is where 99 of new marketers fail, simply because they choose the WRONG niche. I will show you exactly how to guarantee you always choose winners. (See page 9) How to find killer keywords to use in your marketing campaigns in 12 minutes or less! You don't have to spend hours like the 'other guys do - (see page 17) Discover the one "secret source" of exploring hidden niche markets that will crank out insane profits! This is the ONE source I use to find the hottest markets that everyone else is overlooking (see page 14) How to make a fortune in affiliate marketing, even if you have absolutely no experience! These quick start strategies will show you exactly how you can generate your first paycheck in days! (See page 41) Exploit free traffic generation tactics that will instantly flood your website with a surge of targeted prospects.. These are the techniques used by the Internet's most successful marketers.. (see page 45) And Much, Much More! Gone are the days where you spun your wheels in a pot hole that you couldn't get out of.. no longer will you ever have to sit where you are right

now, confused and frustrated because you're sick of hearing about how successful everyone else is, while you can barely break even. Finally, everything is about to change.
