

Spirit - Dr. Williams, Richard Bruce, Md

[DOWNLOAD HERE](#)

This work explores how spirit is defined in the Bible. It then applies the concepts learned in order that an individual may mature his spirit in strength and spiritual standing. The work explores how an individual with a mature spirit can be of use to God in spiritual warfare. There is also some comparison between the concepts of spirit developed from the Bible and those held by major faiths and major branches of the Christian church.
