A look into the underlying principles behind modern magic in Witchcraft, this investigation provides an integrated training system for both solitary Witches and coven-based trainees in the form of magical energy practice and cosmology. By fully explaining the values of Witchcraft, this work makes numerous Wiccan practices approachable, including Circle casting, raising energy, elemental work, and drawing down the moon. Illustrating how Wicca is a modern, nondogmatic, and dynamic tradition still in a state of evolution, this book also features a history of the spirituality of Witchcraft.
