The Sapiens needed to flee Venus' dwindling atmosphere. Their form of government was known as the Parliamentary Council. The Council created the Enforcement with one goal in mind. Take over, control the Earth, and colonize it for the Sapien population. With the Sapien's continued expansion, we open our story. Captain Troupe was always a mystery to his son, Jonas. The young man was lucky if he spent more than a year with his father in total. The night of his father's return would be the last time Jonas ever saw his father again. Jonas set off on an adventure, which unraveled his father's hidden past.
