Double Penetration L.A. Day Grey is a vampire tired of his barren existence. Long ago, he learned to feed without killing but still he doesn't dare get close to a human. A feisty female being attacked by two males piques his interest and he rescues her. Shannon enthalls him but he knows he shouldn't get involved. Grey burns with desire for her but knows he can't force an immortal existence on her-can he? Shannon is a cancer survivor but, robbed of her ability to have children, she feels empty inside-barren, worthless, less than a woman. Their souls collide when they make love but she doesn't think he'll want a permanent relationship with her. Grey can have anyone. Just when she feels whole again, a taste of her blood confirms that her cancer has returned. Grey wants her as his immortal mate but will either survive a vengeance-seeking vampire?Author: Day, L.A.
