Hardcore, #@\$ talkin', irreverent rap with its own individual attitude and style, guaranteed to keep your trunk rattlin with extreme slump 11 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: West Coast Rap Details: This album displays a variety of tracks speaking about good, bad and ugly. It pokes fun as well as criticizes many social aspects. For instance, "They Make the Best Crooks", talks about how those with no money choose that lifestyle because of their shifty ways. "Love Bomb", on the other hand makes fun of the idiocy of campus groups such as fraternities and cults. No you won't hear a thing about champagne, cars, or fictitious mafioso tales on this album. It is designed for those who want to do something else besides dancing. Oh yes, it will make you bob your head with the mixture of funk, rock, and mellow beats with tight lyrics, but there is a message in all of the songs. Being that B-sick is white and totally blind he comes with a different perspective. He tells it how he sees it if you will. You will enter the realm of the Sick and maybe or maybe not it will be for you. The forth Coming CD by B-Sick - "Mr. Zero Tolerance" is soon to be released here at cdbabyand in all musical outlets during the latter part of 2006. Mastering is finished, now time for the part I hate the most. Doing the album cover. It makes me have to relie on other people's oppinions, because as you all know I'm not a "visual person."
