Lilting and uplifting songs, with an underground bohemian feel. Baskervilles create a sound all their own, drawing on the greatest independent pop music from the 60s, 70s, and 80s... 7 MP3 Songs POP: New Wave, POP: British Pop Details: "Midnight" is the exciting new release from New York City's Baskervilles. The CD contains 7 freshly recorded tales, following the lovelorn adventures of today's urban bohemians. Trust the Baskervilles to deliver absorbing pop based on whirlwind lifestyles. This release builds upon the band's existing sound, adding new textures with nods and winks to the best underground new wave and indiepop bands of the late 70s and early 80s "Midnight" also features the first ever cover songs recorded by the Baskervilles: "La Grande Illusion" originally by the Television Personalities and "Pictures Of You" originally by the Bartlebees. "Midnight" is the follow-up to the band's successful self-titled debut, released on Secret Crush Records in early 2004. Roots and Influences: Television Personalities, Monochrome Set, The La's, Belle Sebastian, Bartlebees, The Kinks, Tables, Chills, Cure, Clientele, Apples In Stereo, Lee Hazelwood, Nancy Sinatra
