

# Mp3 Cathy Whitten - Country: Modern Country

[DOWNLOAD HERE](#)

Grab your hat and boots for country music that will make you tap your foot, sing-along, or maybe even cry. Country music spanning generations as well as a collection of original songs from a talented singer/songwriter whose voice will move your spirit. 11 MP3 Songs COUNTRY: Modern Country, COUNTRY: Traditional Country Details: Cathy Whitten is one of the brightest new country stars in West Texas. Born and bred West Texan, singer, songwriter, cowgirl, radio personality, business woman, wife, and mom. Cathy's style is full of energy and emotion. Cathy began her musical journey born into a radio family. She comes from a long line of broadcasters in the radio business. In fact, Cathy began her own radio show as a disc jockey after school when she was only 13 years old! As she played artists like Dolly Parton, Reba McEntire, Merle Haggard, Crystal Gayle, and others, she began to develop her own style of singing and writing music. She began performing at an early age and enjoys singing as well as writing songs. Be sure and check out "What Were You Thinkin'". It's getting radio airplay and a lot of positive feedback. It has a catchy beat and is hit material. This Premiere CD showcases Cathy's versatility with traditional country favorites done in her unique way as well as Cathy's own original songs. She is an artist full of life with a contagious smile, great stage presence, and a very bright future in the music business! Here are some of the comments being made about Cathy and this wonderful CD: Paul Beane, morning show host of KRBL 105.7 FM said, "She (Cathy Whitten) is an outstanding talent...It's a great CD...You might want to add it to your collection..." Radio Personality Gary Carter said, "That's what West Texas music is supposed to sound like." If you're a country music fan, this CD is a must-have!
