A singer-songwriter bringing melodies and lyrics as meaningful as they come. 6 MP3 Songs in this album (33:07) ! Related styles: FOLK: Folk-Rock, ROCK: Folk Rock People who are interested in Glen Phillips Dan Wilson should consider this download. Details: In a nutshell: The first cassette tape I ever bought was the Karate Kid soundtrack. (Funny, right?) My first instrument was a saxophone, but I didnt really play guitar or sing until high school. Though my dad is a kind of karaoke song superstar, I was into Guns N Roses and Nirvana growing up. It was around that time that I began writing songs, and Ive been tinkering with it ever since. Recording this EP was fun, but it was kind of like moving a very, very large futon mattress-burdensome at times, unwieldy, but entirely necessary. Much of the material for these songs has come from the people that Ive met over the past few years, kind of a character study if you will. Its about disappointment, being genuine, fear, hope, and the often misunderstood word, no. Thank you to those of you who helped me through the project. You know who you are. All the proceeds from the sale of the EP, Honestly, will go to benefit The Anacostia Gracious Arts Program, an after-school organization that provides Christian fellowship for the youth of Anacostia (in Washington, DC) through arts education. Theyre a worthwhile organization-please help me support them! ***UPDATE...4/9/09@3pm***

Ah....thanks so much for the overwhelming support! You've sold the store out, and it seems I'll need to send them more! It should only take a few days, but PLEASE do let them know you want to be notified when they get more of them so that I know how many to send them. Also, digital downloads of the CD should be up by the end of today. Thanks a bunch!
