

Mp3 George Parker - Just Getting Started

[DOWNLOAD HERE](#)

real music with some concience to it 5 MP3 Songs URBAN/R&B: Rhythm Blues, GOSPEL: Traditional Gospel Details: talented all the way around.amazing heart ,amazing voice,amazing god!he gets all the credit.former death row records artist george c. parker iii a.k.a. g.p.which stands 4 god's promise,god's plan,god's purpose,and of course,god's property...his vision for music,his ear for good soulful music and his love for music...g.p. says it's time to give people what they want before they want it.george shares with u 5 songs that if you listen to them long enough they might make u change your heart about some things or u might say,yep!that's true,or that's real,whatever u say,i hope it does for u what i intended it 2 do when god helped me write it...not being modest just real feel me.oh,by the way,i'm also the former member of a trio group that used to be with death row records in 93 to 95 called b-rezell,with songs like"blowed away"on the"above the rim"soundtrk and"horny"on the"murder was the case"soundtrk...that was then,this is now.chicago native,born and raised.having the priviledge of working with industry heads like,dallas austin,snoop dogg,tupac,devante swing from jodeci,dannyboy,the dogg pound,teddy riley,new jack city soundtrk vocalist,christopher williams and many others.well,g.p.is one of the best unknown singer,writer,producers out there.now back on the scene just getting started with some unfinished business.if you think this cd is nice,g.p. said we ain't heard nothing yet....
