Smooth as eggs 17 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Makio S. Haywood was born in Los Angeles, Ca. on October 19, 1978. Makio has been around music all his life, but never thought anything of it. At the age of 21 he started to rap just for fun, but at the age of 22 he started to get serious with music. He found a keyboard in the house and learned how to make beats. After finding the keyboard, he quickly learned music terms such as bars, sequencing, intro's, verses, hooks, bridges, B section, alternate hooks, vamps, and vampouts. He quickly became a producer for himself and started rapping and singing over his beats with his new stage name Hwood. He has close to one hundred songs and over 500 tracks. He has recently made 2 Albums: HomeMade and Art Of Hwood. HomeMade is an album that was never released; he did it for fun. Check Hwood out on mystylerecords and or go to myspace.com/mhaywood and send him messages, view his pics, and listen to a song called, "the note" which is going on his next album, check it out.
