Details: Janna Audey is an introspective, spiritual, and philosophical singer/songwriter. Her ethereal voice and lyrical imagery draw the listener in from start to finish, with a slow pulse that builds with intensity throughout the CD. Unlike Janna's acoustic CDs, this latest work showcases her vocal and musical diversity. What makes The Human Race project especially close to her heart is that midway through production Janna was diagnosed with cancer. She completed the recording, editing, and mastering, as well as artwork and distribution, while undergoing treatment. A mere 24 hours before her last cycle of chemotherapy UPS delivered five boxes of CDs from Discmakers...a beautiful ending to the cancer journey, and a poetic beginning to her new life. Janna is also a member of Hitchcock Blonde, and is featured on track 10 of their Soul Button release.
