A sensory story-teller, who plays both a fierce rhythmic and sensitive guitar. A vocal quality of passion, vulnerability and power, all rolled up into one. 10 MP3 Songs FOLK: Modern Folk, FOLK: Folk Pop

Details: "Lily Kiara has been making music for a while, which you can hear. Although on her cd, she seems to play the modest girl-with-guitar, she sounds a lot more mature than most Dutch female singer/songwriters. Kiaras voice, and also some of her songs, vaguely remind of Suzanne Vega. The compositions are mostly magnificent. Well-balanced in set-up and sometimes complemented with beautiful, though sober arrangements for, for example, strings. As in When He Smiles, the climax of the album No Alibi is a fine cd. Now lets hope that Lily Kiara will get the chance to present herself to a large audience."
