Down South Rap, Tongue Twistin' Lyrics a perfect combination of Silky Sweet Keyboard and Phunky Phat Baselines... Great Bump 4 da Trunk... 12 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Alternative Hip Hop Details: The tightest rap production to ever leave the streets of ORANGE MOUND with 16 original tracks, this album is most definitely the bomb! Tracks include a balanced blend of OMPs laid back vocal blends and soulful, street-conscious singing (all done over OMPs Tite ass Kat Production of course.) which blend perfectly over the hard beats and bass lines that top any similar efforts to date. With both superb lyrics and delivery, it's hard to determine which is smoother. OMP has also produced tracks for several Memphis artists, most recently including, D.J. Zirk, King Goldie, OCF, and Tommy Wright III. Once you hear the feel that OMP has in taking Memphis Rap to the next level, you will definitely conclude that every track he's touched certainly makes the listener want to rewind over and over and over again and again. This album will definitely head the MP3 charts. If you like Master P, Three 6 Mafia, and 8 Ball MJG, you will definitely want to add this one to your play list.
