God Breathed, Spirit-Inspired, Intimate Worship 7 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: Petra Rose has been leading worship at various churches, meetings and conferences for over twelve years. She has worshiped before an audience of One as well as thousands around the globe. Petra has ministered in Word and song in over ten nations. God has gifted her with an anointing to lead people into the very Presence and throne room of God. She has written over 75 songs, and has released her first worship CD called Come Away, which is the first of the Pneuma Worship Collection. The Presence of God comes and oftentimes prophetic songs are released in the services where she leads worship. People have been ministered to and delivered by the very Presence of God Himself as she welcomes the Holy Spirit and allows Him to sing His Song through her. Not only does Petra minister in song, but she also has a strong teaching and preaching anointing to bring fresh revelation from the Word of God in a practical way. She, being prompted of the Holy Spirit, completed her M.A. in Biblical Studies and Ph.D. in Christian Education at Florida Christian University as well as a certificate of ministry training from the School of ACTS. Petra is currently the Worship Pastor in Florida.
