Soulful singin' over funky grooves with a phat stack a' horns! 12 MP3 Songs URBAN/R&B: Funk, URBAN/R&B: R&B Pop Crossover Details: Permanently out of stock at artists' request. Sorry! Please buy their new CD instead. Phat Phunktion's self-titled debut is virtual education in groove. A funky 4-piece horn section is powered by one of the tightest rhythm sections around. As if this were not enough, four of these members are accomplished singers. While it is suprising to see a band with a four piece horn section today, the grooves are tight and the writing is fresh. See their website at phatphunktionfor some samples!!!
