Classic "Oldies" songs sung incredibly low by one of the lowest bass singers you'll ever hear. 12 MP3 Songs POP: 60's Pop, ROCK: Classic Rock Details: Roger "Bass Man" Kurt has been blessed with one of the most unusually low and resonant Bass Voices you will ever hear! He is a long time resident of the State of Hawaii and loves living in the "Aloha" State. Having grown tired of hearing high pitched male singers sing practically all of the songs one hears, Roger's "Mission" is to promote the plight of the forgotten Bass Singers of the world! Roger's "SO-LOW" CD is a collection of classic "oldies" songs sung in an incredibly low and distinctive style! In a review by the North Shore News, Roger's productions were given a 5 Star Rating! In their article it was stated, "If you groove to many of the popular oldies from the '50's, '60's, and 70's with pure harmony and sliding bass notes then you'll want to add Roger "Bass Man" Kurt's CD's to you collection! His CD's showcase the flair and talent of this very unique bass singer!"
