This album has its own sound, uncomparable to anything you've ever heard. cool, crazy, angry, happy, sad, moodswings. From hard and heavy hitting basslines to smooth and hypnotic melodies. 17 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Rap Details: MOODSWINGS No One Is The Same everyday.. This is an album that has its very own sound, it is unique and universal and can't be labeled to a specific coast. The music varies from raw and hard hitting, to smooth and laid back, and a little bit in between. The album is a journey from being mad at the world to discovering inner peace within yourself. All of the music was produced, written, mixed and arranged by Jahvon "The Reign" Morris, "Who has produced for over 11 albums for different artists nation wide, from R&B To Rap and Jazz". The Reign as a rapper has a very heavy and deep voice, lyrically it's hard to ignore. He is the type of rapper that can express himself in such great detail, enough to put you where he is in the songs. He truly believes that the truth must be expressed to the listeners. In his own words: "I really hate what rap music has evolved into, alot of rappers are stuck on all of the same subjects like Bling Blingin', expensive cars ect.. everything is material. I stray away from artists like that. I'm true to music so I can't lie to it. MOODSWINGS is for anyone who likes true rap music with hard hitting heavy bass drops and hypnotic melodies with strong lyrical content. Pick up that album (you won't be disappointed), and check out my web site at moodswings.cjb.net Thanks, The Reign.
