From Acoustic stuff to Britpop to Alternative sounds. 12 MP3 Songs POP: Beatles-pop, ROCK: Adult Alternative Pop/Rock Show all album songs: 130 Days Songs Details: This is Yellow Jumps Twice #8. A journey through the ups and downs of a real love affair. This is what the album inlay says: Sometimes life flows like an old river. But suddenly like a waterfall it becomes a wild giant. Therefore this is a story of change. Sometimes all your thoughts spin around one thing. Everything seems to be connected and fixed with that. Therefore this is a story of constance. Sometimes you recognize that someone in your surroundings becomes more and more significant. This person turns out to be the most important in your life. Therefore this is a story of recognition. Sometimes it seems life runs down a one-way street. You know there'll be no chance for turning back. But you let it run, 'cause it feels so good. Therefore this is a story of a terrible fate. Sometimes you discover that one little thing turns out to be the closest thing you ever had. And you know you're addicted to it. Therefore this is a story of love and the story of the most important days in my life. The songs on this album are in chronological order. In fact the period of time I wrote the songs is more than 130 days. But that was the real "crazy" phase. Maybe you will find out that some of the things I wrote about happened to you too.
