

Ponies Of Dartmoor - Meier Williams

[DOWNLOAD HERE](#)

If the horse has, since ancient times, been depicted as an heroic, valiant figure then Meier William's work demonstrates this. But, if Meier's work mirrors an equine temperament, then where there is valour there is also vulnerability. Since childhood the horse has been an obsession to Meier, inspiring a deep connection and providing a sense of peace. Horses and ponies provide her with a serious emotional fulfillment that subsequently manifests itself in an intensive energised creative period. Meier is delighted to publish this, her first book. Its pages reveal Meier's ongoing work with the ponies on Dartmoor, and capture the process of documentary and artistic work she has developed during the past three years. Author:
