Amethyst Dreams N.J. Walters Sequel to Amethyst Moon. Dr. Augustine Mitchell has made her career researching a lost civilization. She owes her success to her colleague and friend, Olivia Fifield, who mysteriously disappeared four years earlier, leaving her with a set of notes, a vague letter and a silver and amethyst necklace. Decisions and dreams plague her waking and sleeping hours. At a crossroads in her life, Augustine sets off on an archeological dig. The discovery of a secret room sets off a chain of events that land her in the world of T'ar Tal and in the arms of two sexy men-Rorik and Kirce. Augustine is shocked when the men from her dreams are suddenly real. There is no denying the sexual chemistry that sparks between her and her two lovers, but there are seemingly insurmountable problems as well. Their destinies are entwined, but only Augustine can decide their fate. Author: Walters, N.J.
