

Casualty Of Duty - David Drexler

[DOWNLOAD HERE](#)

Casualty of Duty is a story of political intrigue and suspense, set in the mist of a presidential election. The results of this election will effect the lives of Americans for years to come. Caught up in this complex web of manipulation is Army Captain Gary Hallstead. He is a man who serves his country proudly and takes his oath to defend and protect the Constitution of the United States seriously, but is caught up in a situation that will test that sense of duty. Think all presidential elections are media events, consisting of photo opportunities, campaign promises and cheering supporters? Think again: there are forces behind the scenes, the candidates know nothing about, that will stop at nothing less than murder to achieve their own election results. Forces that no longer rely on the standard methods of election rigging, but now have the power of technology to add to their sinister bag of tools. About the Author David W. Drexler is an Information Technology Specialist, recently retired with thirty-five years experience in the designing of large, intricate computer systems. His involvement in politics included National Committeeman, Congressional District Chairman, and twice a candidate for the United State House of Representatives. Author: Drexler, David Publisher: Exposure Publishing Illustration: N Language: ENG
