

Gordon Strachan - Leo Moynihan

Gordon Strachan has probably become best known among football fans for his realistic and often witty assessments of his teams' performances and football matters in general. It is easy to forget that Strachan forged a career as a player where his abilities made him the only player ever to win the Football Writers' Player of the Year Award both north and south of the border. Now managing Celtic, this fully updated biography of one of Scotland's most charismatic exports is published 40 years after the club became the first British team to win the European Cup. In this comprehensive and fascinating biography, Leo Moynihan looks at the tenacity of Strachan as a player, determined to prove his old mentor wrong when Ferguson sold him to Leeds Utd, on the basis of him being past his best, and the true relationship that exists between them, as well as the honesty of a man who has often left followers of the beautiful game scratching their heads, but always full of admiration.
