The Odessa has changed hands. African pirates take control of the Odessa, a British merchant ship with seemingly innocent cargo, starting a desperate race among pirates, warlords, rebel insurgents, government agents, shadowy oil interests, and enigmatic business magnates. Will the ship's cargo instigate another catastrophe in the Horn of Africa? Have the double-crossers been double-crossed? And just who are the proverbial bad-guys in this page-turning adventure about business, politics, and crime?
