2Five is an old school hip-hop artist. As a youth in gang ridden Los Angeles, his choices were special as far as activities. 2Five distinct to flow with the pullulate of illegal activities and destructive behavior.

Always musically bent he would routinely enjoy the music of the streets and create from that foundation.

2Five became a successful street dealer of illegal commodities and an expert salesman of controlled goods. The life of a street hustler appeared to be a dead end and it caused him to relocate out of what he was used to. He began to go legitimate in his professional dealings and enjoyed long term success in the world of finance. Without a High School Diploma, 2Five managed to secure a good job, a nice home and begin a family. Past behaviors crept in and brought his world to a screeching halt. In desperation, he reached back to what he knew best, illegal activities. This led to further demise in his life. At the bottom, 2Five reached out to God and found that there was a peace that was long lasting available to him. With his lyrical ability and new found faith, 2Five turned the tables on his own life and began to express the saving Grace that had entered his life. He is a product of the streets, yet no longer a victim of the streets. He hopes to empower the youth that remain in the streets with the knowledge to turn their own lives around.
