

# Mp3 Anthology Of Art Songs - Music By Stefan Young, Pianist

[DOWNLOAD HERE](#)

The music reflects the neo-romantic tonal resurgence of contemporary music, and the moods range from tender to dramatic with material drawn from modes, non-standard scales, pitch class sets, and tone rows. 24 MP3 Songs CLASSICAL: Contemporary Details: Critical response: In Classical New Jersey, October 4, 2000 by Dennis Hyams, composer and critic. "...Stefan Young has now made a major new contribution to the literature of modern song." "He is a remarkable craftsman who plunges deeply into the meaning of his chosen poetry and proceeds to paint the pictures and plumb the moods with great skill and appositeness...." "...impressive diversity...." "...intellectual and emotional satisfaction in the listener." "...all the singers were excellent without exception." "The instrumentalists played with heart and soul."
