

Mp3 Colorblind - Under The Paper Moon

[DOWNLOAD HERE](#)

Indie pop songwriting 10 MP3 Songs FOLK: Folk Pop, POP: Pop Details: After a few years playing rock with distortion in bands like STAFF or Crystal Dusk with whom they play as opening act for rock legends (Helmet, Toto, Supertramp, Bruce Kulick) in Switzerland, Netherland, Germany, Italy and France because of albums recording by Dave Richards (Queen, David Bowie) or Nick Smith (Sting), the Mudry brothers decided that their future will be on another road. They quickly composed a lot of emotional folk songs looking towards composers like Jeff Buckley, Damien Rice or Ryan Adams but keeping their own identity. After a few gigs in duo, they took on board the bass player Blez "Magic" Mab (Layne, Crystal Dusk) and lock themselves in a studio with producer Gunt, who is doing this for over 15 years with many artists in many styles (Reggae, Rock, Electro, Chanson). They recorded an album that could be played only with a guitar. Of course, on the album, they added some contribution from friends as you can hear. "Under A Paper Moon", the title of the album is indicating that the band is seeking of a society where the only thing that matters is the way you look. Tags: pop
