Sweetly melodic, lyrical and emotive... a remarkably consistent guitar caress, like someone lightly touching the back of your neck and shoulders while driving. 14 MP3 Songs WORLD: Flamenco, CLASSICAL: New Age Details: Felipe is one of those quiet classical guitarists who plays alone in coffee shops and restaurants. The music itself is fresh and original. There is an emotion, a passion for life that is expressed well on the guitar. You can hear that expressive, romantic quality throughout this work. And it keeps sounding better every time! Phil Busby, Producer, Musica Chala
