Alternative UK rock on the pop tip with a twist acquired from Los Angeles. 5 MP3 Songs ROCK: Funk Rock, POP: British Pop Details: Formed in 1999, H Pisces was formed phoenix-style from the ashes of several bands and now consists of one key published songwriter and a global network of musicians. No strangers to touring the band have done several mini tours over the last 4 years and continue to do the same. A small limited edition release in 1999/2000 has kept them busy with dates in Canada, UK and US, and Europe, not to mention numerous radio tours and 'unplugged' events, notably at the BBC in the UK. Movie-wise, the band have made various guest appearances in films and continue to write movie scores and songs for soundtracks. Most recently they have recorded 'The Attraction of Innocence' EP with the multi-platinum producer, Manfred Praeker and this is their current release. H Pisces signed to SKS Music in September 2003 and are currently recording their new album in Canada and the UK.
