The ultimate CD for a POT PARTY. Hip Hop, Trip Hop, Poke Smot, Euro beats meets Dirty South yeah ya saw me in the High Times film and hosting the Cannabis Cup in Amsterdam 16 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, POP: Quirky Details: Jet Baker's unique and slyly, dryly humorous hip hop is about: Pot, Marijuana, Ganja, Weed, Cannabis, Toke, Smoke, Don't Choke, Love, Sex and Fun. Jet Baker is a grass roots movement. Tell ya buddies. JetRap.com This is Jet Baker's 7th CD released since he met the folks at High Times. In 2000 Jet was cast in The Cannabis Castaways, High Times alternative reality TV show. (See it in the High Times Film, The Cannabis Cup.) He's been back every year since then, hosting and performing at the annual Cannabis Cup in Amsterdam. The tracks on this CD will guide you on a Coffee Shop Crawl through this amazing city. It starts out with POT PARTY, an invitation via email to a remote barn out in the country including these directions - bring a flashlight, don't let the dog bite, wear your pants tight. You'll be thinking did he really say that?.... Yeah he did. I'm soooooooooo going to that POT PARTY, a feel good groove. Next it's off the beach in your low rider. Sexy puff girl P. Kat delivers the flirty hook PASS THE BLUNT PAPI. Outlandish lyrics in English, Dirty South and en Espaol. Si, es la verdad. "Vamos al la playa, Ya'll. We gonna puff a blunt!" Now you can probably relate to this next one. You've been there before. A comfortable vibe, relaxed, a lazy morning on your day off. A morning in Jamacia, or right in your own comfy crib. Be careful cause Jet likes to get ya all comfy and then spin words that reach right through the smoke to your heart with his real message, the truth. "Don't judge me, just love me." You may have seen the video for WAKE N BAKE on vh-1. EVER BEEN TO AMSTERDAM? A chat with Lusciouselle. It's all a set up for the COFFEE SHOP CRAWL. Have ya ever been there? What do ya think it's like? I'm gonna take ya there. On this amazing 3:20 minute track Jet Baker takes you on an incredibly detailed audio tour of 39 Amsterdam Coffee Shops and includes

travel tips! You will feel the beat, you will feel the pace, and you will experience the COFFEE SHOP CRAWL. You could literally make your way around Amsterdam with this song on your iPod as your only guide. If you're listening to this CD correctly then by now THE ROOM'S A LITTLE HAZY. If ya haven't heard any Jet Baker music before, this track will break it down for ya. "Now ya got where I'm coming from, take a puff and pass it on, then I throw in a little sex for fun. That connects with everyone." EVERYBODY HIGH? Probably and obvious question at this point, but you'll be surprised at some of the responses to this question. I mean, your eyes are like road maps bro. The soulful voice of hype girl Puddin Pop pierces your soul. Hola. Esta cancin entera est en espaol. "siento a veces cancion ma's comfomable en spains ms bien que ingls. Usted sabe cuando usted oye su voz en una grabacin suena extraa? Que es ms fcil se oiga cantar en espaol. Tengo siempre cierta lengua espaola en mi CDs. Gracias a todos mis amigos que gozan de estas canciones. Y gracias a mi traductor del Internet. Y las gracias por paciencia del yor con mi Internet tradujeron espaol." Espero que usted goce de SANTA MARIA. "I know what I'm gonna wanna do, wanna gonna do, you know who. GONNA WANNA MARIJUANA." Go with the flow. In this case it happens to be a light futuristic - euro-jazzy-ambient-trip. "Yeah I got something for ya." P.Kat asks "What's that in your pocket?" NUGGETS A note from Jet Baker: "Think of me this way. The day this song was written was a perfect day. Because what I sow is write music well, I just had to write about it. To capture the feeling of the moment forever. I hope you enjoy my perfect day ON A HOLIDAY" Don't want this trip to end. Ironical when ya hear Jet Baker say "Don't smoke pot." But he says it 7 times on this track. Ya gotta VAPORIZE. Vaporization is a technique for avoiding irritating respiratory toxins in marijuana smoke without causing combustion. Laboratory studies by California NORML and MAPS have found that vaporizers can efficiently deliver cannabinoids while eliminating or drastically reducing other smoke toxins. This, the latest CD from international recording artist Jet Baker has 16 new tracks, almost an hour of music including 4 remixes. This IS the soundtrack for your next POT PARTY.
