a dreamy forty-six minute concept album where the physical world meets the dream world. 10 MP3 Songs FOLK: Modern Folk, EASY LISTENING: Mood Music Details: Following one of my last performances someone described me as an "amorphous floating cloud--of folk music". I laughed. I had never heard the word amorphous before. And then they added, "you simply float amorphously from song to song, we never know what you're going to do." "An up and coming songwriter and performer who shows a real passion for his work and an ability to connect with his audience with his heartfelt singing and lyrics." John Floridis, Montana Public Radio a biography (jibranmusicbio.blogspot.com/) Artists. Ryan Adams, Beck, Moby, Bright Eyes, Sarah Harmer, Radiohead, Manu Chao. But seriously, I can't get enough Moby. Idaho. To young to know which way was up but still a beautiful state. The Idaho river valleys rival Montana. The snake, the payette, the clearwater to name a few. Highway 12 and 93 both leave Missoula and pass into Idaho. Those river valley's are *amazing* in a thunderstorm. Montana. We had chickens for most of my childhood. Spent a few years in Hamilton. Still a sucker for a hike in the Bitterroot Mountains, which have been cleaned up by forest fires the last few years. Whitefish has the best powder. Spent many tuesday nights playing open mic at the Great Northern. Seattle. The west coast. I've spent a lot of time leaving since I moved out here: Montana, Idaho, Canada, Israel, Burning Man to name a few. I plan to explore more of the PNW.
