New Age Urban with multi-sound influences 6 MP3 Songs NEW AGE: Ambient, WORLD: Samba Details: Jolinko Tsongo Like The Mist That Lingers Sketches 3 (Latin Mist) Jolinko exalts into the New Age Urban Latin Mix that blends a timeless classic sound with modern tones in this Sketches 3 of New Age Urban focus. Growth of consciousness continues to expand known reality with the opener Morning in the Rain Forest. Some of the tunes may quite possibly augment for meditation usage. Echoes of Brazil, transforms with the sounds in Sao Dinda Para Voce a quartet with strings exploring the warm-toned beauty and rhythm. The song sustains the main theme and collapses into a swing pattern before returning to the theme. The chorus launches out into smooth double-time Samba beat. More expansion begins its symbiosis orchestration with Mlango Kwa Upandano drafting effortlessly and then merging into a soft-light Bossa Nova structured pattern. Time Span shifts to the Caribbean effect mode, with Steel Drumming in the distance rising backdrops, rolling mountainous Island, covered with spice trees, tropical flowers, stunning white beaches smell of nutmeg, cloves, ginger, cinnamon, cocoa or coffee pervades the warm surrounding waters. A good audio-video travel song maybe found here, as the Steel Drumming takes it long fade out with sounding waves play a tropical mood upon the beach. Central America or Mexico experiences laughter and joy underneath palm trees cascading the afternoons sun, as Casa Cambio reveals its inner magic. Focus and concentration magnifies this simplistic expression for joy. Latin Mist finishes with a romp at Carnival. Wave of Happiness parades and marches in this urban groove with Energy and Excitement! The three sketches take a musical look at traditional global and current urban elements that may add to the music range on multi levels for both artists and listeners. \* A Special Thank You To All and Especially To: Evan Filler (Music Consultant)
