A well-seasoned Yankee Hula musical stew, simmering in a country blues broth. My-te-fine. 12 MP3 Songs COUNTRY: Country Folk, COUNTRY: Country Blues Details: Keeter Stuart is a singer/songwriter based in Portland, Or. His CBF [country,blues,folk] flavored tunes feature strong vocals and unique acoustic and electric guitar playing, a la Stephen Stills, Mark Knopfler. This is his first CD release, and he is joined here by Madeleine King and former members of Trigger's Revenge, one of Portland's finest bands. All the songs on this CD were written by Keeter, except [Ghost] Riders in the Sky, written by his uncle, Stan Jones. It's a great, kicked-up version of that classic old tune.
