Modern Country rock and country pop. 13 MP3 Songs in this album (52:15) ! Related styles: COUNTRY: Country Pop, COUNTRY: Country Rock People who are interested in Brooks Dunn Toby Keith The Mavericks should consider this download. Details: I've been writing and playing music for as long as I can remember. When I was very young, my sister and I would perform elaborate shows for our babysitters. I'm not sure that they like them but we sure had a great time. Since then I have been putting out collections of songs that I have written and this collection of country music is one of my favorites. I hope you enjoy it as much as I did making this CD. All My best. Kurt
