Treat me with indifference. Treat me with your indifference. You look so innocent and I gather you are, but I call you ruthless lover and you don't blink at all, you don't blink at all if fact you just want me to fall! I'm a fool to think I'll win, I'm a fool to all who listen, I'm a foolish girl. Treat me with indifference, a victim of your cause, you act like it's all meaningless, but I'm your underdog, a cautionary word to those who are careless, take caution in the prize or you will be vicitmized,

consider what I tell you, prudence is the way, distinguish right from wrong when you leave this song.

Score You say you are defenseless, but you're the one who is the master, you come around me and ensnare me and it worked so well. You can't play the innocent, you can't play the victim, you can't derail you can't resolve, you're so determined to hook...me just might let you score, I tell you I'm your bitch but you're the whore, Do what you want with me, I told you I would do it, I told you that I would you said you cannot say that, but I'm like why not if it's the truth, common common clean, come clean, come clean. You can't play the innocent, you can't play the victim, you can't derail you can't resolve, you're so determined to hook me you just might score. I just might let you score, I just might let you score... Widdle me down Whittle me down till there's nothing but heart and sound never let go, till my soul is full of holes, widdle me down. Cut and carve so carefully, till I miss my life and I miss myself common, whittle me down...Heartbreaker, you heartkiller, your giving me a heart attack. What do you say when I kick and scream and push you away, oh cut me down till there's nothing. Whittle me down. Wicked Love This is some wicked love, shot from cupid above, somebody is playing some joke and it ain't funny yo. It's wicked love, wicked. Somebody get me to say, I'm not in love and hey, somebody come to me quickly and try to rid me of this deed. Wicked love, your eyes are so cold, you use your sex like a weapon, you keep me hanging on, every hour of every second oh cupid's arrow found a love so profound. Wicked Love, Wicked. Soulmate I tell cuz you're my twin, I know you feel the same, I speak to you and you speak to me in all we knew endlessly, identical in all we do, alike in every thing we say, oh duplicate equal of mine, all is the same cuz you're my twin. As it is the same with me, oh I feel everything, everything you think and everything you feel. Twin, it's a irrational position, it's a irrational decision that I have to make again. I don't want to make a mistake, but I have to say, you affect me in every way, look what I'm doing helplessly, dream of love so stay close to my heart and never let go, I never talk to anyone anymore, I'm so possessed by your ghost oh, it's an irrational decision irrational decision in every way, I don't know what to say, I guess you got my goat this time babe, it's an irrational decision, I hope I don't make a mistake, no one's here to help me, help me through this...you're my twin, you're my soulmate. Snare In your clutch, compressed and crushed, your gripping tale of pinching scales to validated my mandate, you force your way, but sometimes you wonder if I'll get away, I tell you everything and I let you in. You have taken me, I sucumb to everything and I yeild to you I accept my fate of the tender you, if you can make me comply with one look just think what you can do to tame me baby, to make me obey, to make me docile in everyway, to make me passive and fucking submissive meek and compliant and unresisting. Real Unbelieveable oh it's unbelievable the way it happened. Love comes quickly like a thief in the night stealing my memories. Stealing my dreams, stealing my every belief, genuine authentic, actual bonafide, you knew me all your life. Now I'm true blue, the real and the unbelievable.
