DOWNLOAD HERE

This children's CD features traditional songs performed with rich harmonies and interesting backing tracks. 23 MP3 Songs KIDS/FAMILY: Lullabies, KIDS/FAMILY: General Children's Music Details: This CD features children's songs from the United States, Ireland, Scotland, Wales, England, France, and Germany. Out of the 23 tracks, 12 songs are lullabies, which presumably should help infants go to sleep. A few of the lullabies, like the Skye Boat song and the Castle of Dromore, have a somewhat darker side in their lyrics but their wonderful melodies will be calming regardless. The other 11 songs are for children who are a bit older. Many of these tunes fall into the "silly song" category that strongly appeals to this age group. Some of the songs are even a bit educational since they involve counting. Another CD by Mary Behan Miller, "A Celtic Journey," has been released and is also available on CD Baby. As might be inferred from the title, the tracks on this CD feature traditional Celtic music. Additional tracks by Mary are available on two CD's also available here, "Some Keltic, Some Knot" and "Keltic Beginnings" as a member of the group Keltic Kaleidoscope.
