Some songs from my youth ministry work, some of which are pretty context-specific, so a bit weird, others which are more durable and pretty good. 14 MP3 Songs KIDS/FAMILY: Kid Friendly, KIDS/FAMILY:

General Children's Music Details: Matt Henry is an Australian-born songwriter who works with youth and anyone else who is willing. He leads workshops, worship and education events of various kinds. Shana Henry is a singer, educator, and activist whose work spans from cooking to protesting. From Matt: My songs are an exploration and expression of what I believe. I believe that a person's faith, irrespective of its flavor, must be approached with head and heart. My conviction is that we are all seeking to learn of, respond to and be in relationship with the one and same God, no matter what we call that. My work with teenagers has particularly influenced my songwriting, as I have observed their growth in faith in spite of a world hostile to their healthy sense of self as children of God. I hope you enjoy my music - please let me what you think! Thanks for reading this far!
