Like ABBA covering Harry Partch, only without the cutesy warbling. 11 MP3 Songs ROCK: Modern Rock, ROCK: Instrumental Rock Details: Miasma of Funk is an ongoing shindig organized by Dave Riley (formerly of Big Black) and Joe Irizarry (formerly of Coitus Manifold), and thrown in Top Scrap Recording Studio. Dave conjures the scenario, Joe tickles the knobs, they both contribute musical performances and bestow their righteous opinions on an ever-changing host of musicians seasoned with stalwart participants. The din of Groove On The Mania!, the first release from Miasma of Funk on Top Scrap Recordings, has been described as dark and cinematic, but with pop sensibilities. This CD of Dime Store Novel Bombast will please enthusiasts of the avant-garde as well as aficionados of the traditional.
